THE ULTIMATE DENTAL TOUR

The Ultradent Experience South Africa is a unique combination of powerful dental lectures and an unforgettable travel experience in one of the most beautiful areas in the world – the Cape region of South Africa.

During this exclusive six-day program you will experience true African hospitality, get to know the beauty of the buzzing city of Cape Town, drink champagne on top of the famous Table Mountain whilst watching the golden African sun set over the sparkling bay.

You will also go on Safari and see the incredible Big 5 (lion, leopard, rhino, elephant, buffalo). You will enjoy an exclusive dinner in one of South Africa's leading wineries just as much as you will dance with the local mamas during an African Braai (BBQ) in the bush.

And last but not least... in the true spirit of Ultradent you will visit a local school during this dental experience tour bringing oral health to the local children.

This tour will be unique. It will be impactful. It will be just the right thing for you!
